

# MORNSUN®

## 75-320W LMF Series Enclosed Switching Power Supply

► 264/305VAC Input Single Output  
With PFC

Fast delivery

Reliable performance

20+ years experience

- Active PFC up to 0.98PF
- Isolation voltage up to 4000VAC
- EMI: CISPR32/EN55032/CLASS B
- 305VAC wide input optional
- -30°C to 70°C operating temperature
- Complete certifications: CE/UL/CB/CCC

Series	Power (W)	Vin (VAC)	NO.of outputs	PFC function
LMFxx-20B	75	85-264	1	Built-in
LMFxx-23B	100-320	85-305	1	Built-in

Note: Conformal coating and terminal cover are optional.
